'Check-list' for your name

AS A NON-PROFIT, CONSUMER-OWNED BUSINESS, Marlboro Electric Cooperative returns margins in the form of Capital Credits to their members each year.

The names listed on pages 20A-C are Capital Credit checks returned by the post office as undeliverable as addressed, or the check was delivered but never cashed.

If your name is on the list, please complete the form on page 20C and mail it to our office by April 15. New checks will be mailed within 90 days of notifying the co-op. When completing the form, please write neatly and legibly, and provide the correct information.

If you are an appointed personal representative by probate for someone listed, you must provide proof showing that you are that member's personal representative.

Please be sure to provide the old mailing address of your account with Marlboro Electric on the form. If you have any questions, please contact our office at (843) 479-3855 or 1-800-922-9174.
